Masterseal Plus

Masterseal Plus has been specifically developed for use in both outdoor and indoor environments, where wiring devices and accessories would be at risk from dust and water.

With a rating of IP66, Masterseal Plus offers total protection against dust, and is protected against high pressure jets of water from any direction.

Aspect

is an innovative range of switches and sockets - unusual in a number of ways, the range is visibly very simple and stylish. Its slim profile and flawless front plate ensures that it always looks extra special. Less visible, but just as important, are the high quality materials they are made from, the functionality, reliability and safety which have made Honeywell electrical products famous.

Warranty Clause
Warranty - 20 years from the date of manufacturing

Masterseal Plus
- Speciality Wiring Devices
Recommended Retail Price List No. SWD 17 Effective 01st February, 2017.
